

IFIEC Europe-press release on new Presidency

IFIEC Europe elects new President and Deputy President

Brussels, 3 June 2015 – Today, IFIEC Europe has elected at its annual General Assembly Dr. Annette Loske, Managing Director of IFIEC’s German member federation VIK, as new President of IFIEC Europe. She has been involved in the activities of IFIEC Europe right from her start of working for VIK in 2001. For many years she has been a Board Member of IFIEC Europe, Chairwoman of the Working Party Climate and Efficiency as well as Member of the Management Committee.

Annette Loske succeeds Fernand Felzinger who will continue as Vice-President to chair IFIEC Europe’s Management Committee.

IFIEC Europe’s work in Brussels will be supported by the newly elected Deputy President, Alessandro Profili, from IFIEC’s Italian member federation AICEP, who succeeds Peter Claes. Mr Profili, who has a long company career and worked with various federations over the years, will act as Permanent Representative to the EU.

IFIEC Europe’s General Assembly welcomed the increase of high quality resources in times in which mission and tasks of IFIEC Europe will increase.
